COMMUNICATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant's undersigned attorney has recently assumed responsibility for prosecuting the above-referenced application. Upon review of the file history, Applicants noticed that the Preliminary Amendment, submitted on November 18, 2004, added three new claims (including one new independent claim), and did not indicate that the U.S. Patent and Trademark Office should deduct the appropriate fees due in connection with the filing of these additional claims. A copy of this Preliminary Amendment is attached herewith.

In the event that the Office has not deducted these fees, the Applicant hereby expressly grants the U.S. Patent and Trademark Office permission to charge the cost of amending the application to include these new claims and/or any other fees due in connection with the Preliminary Amendment to Deposit Account No. 03-1952, referencing docket no. 578492001500. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Dated: April 13, 2005

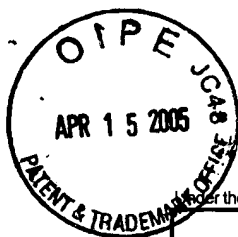

Respectfully submitted,

By
